

BURNET WOODS COMMUNITY CONVERSATION – August 13, 2018

These are all the comments made on “post-it” notes at the meeting:

Building Location for CCAC/C&E:

- Many, many comments about not building anywhere in the park (and build at UC or elsewhere in area)
- Corner of King and Clifton – 6
- At Lone Star – 2
- At Upper Shelter – 2
- Purchase 3141 Bishop and put the building there (it backs up to the park) – 2
- Build elsewhere on Bishop – 3
- Opposite Library
- At Woodside opposite UC
- C&E should add on to Trailside
- There are precedents for building cultural facilities in parks (in other cities and Art Museum/Playhouse in Eden Park) - 2
- No decisions should be made until environmental studies are completed

Improvements/Master Plan Ideas:

- More trash cans and recycling cans
- Butterfly area
- Interpretive signs
- More naturalists, nature programs, walks, longer Trailside hours – 5
- Renovate Trailside
- Daylight stream/wetlands – 3
- Teach about plants
- Label trees
- Remove invasives
- Remove invasives along Clifton Ave.
- Co-programs with Library and CCAC
- Pedestrian bridge over King
- Plant native trees
- Preserve habitat
- Off-leash hours for dogs
- Boat rentals – 2
- Skating
- Bike trails - 2
- Trail improvements/trail head signs - 2
- Supports accessible trail to Valley
- Improve Valley/playground/shelter – 2
- Supports master plan to remove roads – 5
- Remove blacktop
- Align with Dixmyth – 2
- Does not support alignment with Dixmyth due to tree loss, cut-thru traffic - 5
