

## BURNET WOODS SURVEY: Preliminary Results

A survey was available at the August 13<sup>th</sup> public meeting on Burnet Woods and 89 people filled it out at the time. The survey has subsequently been made available on the Park Board's website. Below are the initial results based on surveys completed at the August meeting. All percentages are based on these 89 surveys though not everyone answered every question. Results include the finding that 61% of respondents visit the park frequently, 87% feel safe, 66% use Trailside and 76% walk the trails.

People within walking distance	58%
